REQUEST FOR REFUND

Dear Sir:

On the February 2001 deposit account statement for account number 23-0630, we noted numerous charges and credits for this application.

This application is based on a previously filed PCT application. When the national phase U.S. application was filed, a check was sent to the U.S. Patent and Trademark Office that was received on November 15, 2000 in the amount of \$1,002 for the application filing fee. A copy of the check and return postcard is enclosed. This application was filed without a signed declaration. On January 31, 2001 the U.S. Patent and Trademark Office received two checks in the amounts of \$110 and \$130 for filing a Petition for a one month extension of time and for filing the missing Declaration and Power of Attorney from the original filing.

BEST AVAILABLE COPY

The February 2001 deposit account statement contained two credits, one for \$1046 and one for \$110. Applicant's attorney does not believe that they are entitled to these credits since the filing fee and extension fee was submitted to the PTO unless our deposit account was erroneously charged for these amounts in a previous statement. Also, applicant's attorney respectfully requests an explanation of the inconsistency in the filing fee amount which was sent in to the PTO (\$1002) and the amount credited to our deposit account (\$1046).

The February 2001 deposit account statement also had one charge for \$130 with the fee code number of 154 which stands for a charge for submitting an Oath or Declaration after the twenty or thirty months from priority date. This second charge should be refunded to deposit account number 23-0630 since a \$130 check was submitted and received by the PTO on January 31, 2001.

Respectfully submitted,

Date March 28, 2001.
